

KENWORTH *EXHAUST* MOUNTING BRACKETS

STERLING INTERNATIONAL WESTERN STAR PETERBILT **KENWORTH** FREIGHTLINER

DYNAFLEX PRODUCTS
Diesel Exhaust Technologies
'Forming a better connection'

Dynaflex Products is adding the **K054-2236POL** Kenworth exhaust mounting bracket to our line of OEM replacement parts. The bracket mounts the OEM muffler to the body of the truck and is available in both polished and black aluminum. The Dynaflex bracket is aesthetically superior and far less expensive than any other available option. **Order yours today!**

Models: *W900B, W900L/S & Series*
